## Modern Slavery Statement

11/06/20

Visiba Care do not support or deal with any business which is knowingly involved in slavery or human trafficking. Our business operations are human trafficking and slavery free and will continue to remain so.

Whilst Visiba Care is not a relevant commercial organisation as defined by Section 54 (“Transparency in supply chains etc.”) of the Modern Slavery Act 2015, we have a responsibility to comply with all relevant and current legislation.

Visiba Care works to ensure ethical transparency throughout our supply chain.

We carry out due diligence checks, to ensure that safe working conditions are provided at all levels and supply chain risks are fully understood and managed.

Visiba Care takes a zero-tolerance approach and take steps to ensure that slavery and human trafficking do not take place in our business or supply chain.
